Checking in - can you tell me if the Passaic River waterfront rezoning bill ever passed the City Council? I have been monitoring the web site, but haven't seen anything.

hi Alice, we anticipate completing our standard internal review next month, followed by the public release. If you'd like to talk about it in the meantime, just ask.

Subject: City Council rezoning bill?

Just following up on an item that we discussed during the PassaicRiverbriefing for Deputy Mayor Pryor: You had mentioned a bill being considered by the Newark City Council on rezoning the PassaicRiverwaterfront. As of February, it was still in draft. Has it been finalized and/or is it publicly available?
